**"The Garden Spot of the Palmetto State"**

In presenting to you Volume IV of the Anderson City Directory (our first), we state that the wonderful growth and the continued prosperity of your city banishes all doubt, and substantiates the claim.

In concluding, we desire to thank the public spirited men who have made this most useful publication possible, and to extend our thanks to the public in general for so courteously giving our canvassers the desired data. A final word: Mr. Merchant and Business Man, how can you afford to be without a copy of the directory of

# THE CITY DIRECTORY

## Do You Know What It Is?

---

Do you know it is the Best Barometer of a city's growth?

A most efficient time-saver? Contains information found in no other publication. The only medium that reaches all classes of people all the time?

Do you know wide-awake merchants advertise in the City Directory? Progressive men value it. The stranger consults it.

And the man who says he does not need it, is generally the first one to borrow it.
